Ever we will submit to your rule,  
Ever of your praises tell.

## Myself

"I have to live with myself, and so  
I want to be fit for myself to know,  
I want to be able, as days go by,  
Always to look myself straight in the eye,  
I don't want to stand with the setting sun,  
And hate myself for things I have done.

I don't want to keep on a closet shelf  
A lot of secrets about myself,  
And fool myself, as I come and go,  
Into thinking that nobody else will know  
The kind of a man I really am;  
I don't want to dress myself up in a sham.

I want to go out with my head erect,  
I want to deserve all men's respect;  
But here in the struggle for fame and pelf,  
I want to be able to like myself,  
I don't want to look at myself and know  
That I'm bluster and bluff and empty show.

I never can hide myself from me;  
I see what others may never see;  
I know what others may never know;  
I never can fool myself, and so,  
What ever happens, I want to be  
Self-respecting and conscience-free."

# Class Poem

We the Seniors of "52"  
Eight in all are we.  
Though in number we are few  
We're happy as can be.

First is our President, Virgil K.  
A young curly haired lad,  
He's always full of pep and play  
And he's never sad.

Sam Gerhart who is our Vice P.  
Has a knack for getting into trouble.  
Some day a farmer he wants to be  
And his income he'll probably double.

Joe Kreim with his curly hair  
Maybe sometimes he's a little shy.  
He and Marcia make a handsome pair,  
And he's really a swell guy.

Madelyn Massie our Secretary  
Is our little Southern gal.  
Her accent at times does vary.  
And to all the kids she's a swell pal.

Clem Studer is our Student Council Rep.  
In basketball he's quite a star.  
He's always ready and full of pep.  
And he runs around in his little ole car.

To our Treasurer Ruth L.  
We trust all our money.  
She's a hard working gal,  
And she's always bright and sunny.

There's one in our class who likes to argue.  
John Mollencopf is his name.  
There are many things he wants to do.  
And some day he may know great fame.

Our class sponsor, Mr. Meffley  
Keeps our class in order.  
Without him where would we be?  
Probably on the Mexican border.

Last but not least is our news reporter  
Dorothy Auck by name.  
We are printing this poem for her  
And maybe it will bring her fame.

Now you have met the class of "52".  
Which will graduate in May.  
And because in number we are few,  
In arguments, we all have our say.

Dorothy Auck, Class Poet

TO THE JUNIOR CLASS, we will our ability not to be stingy with the parties.

TO THE SOPHOMORE CLASS, we will our ability to stifle our giggles whenever possible.

## History of Senior Class

Twelve years ago in September, 1940, eight small innocent girls and boys walked proudly up the walks to Chatfield School to start their first year of education. Four of these eight have gone through twelve years together. We had as our teacher Miss Heinlein (later Mrs. Luginbuhl). We all looked forward to the next year of school.

We enjoyed coming back to school the second year because it was no longer strange to us. We again were taught by Mrs. Luginbuhl.

During the third grade, we had Miss Pauline Green as our teacher. We had a Halloween Party, Christmas Party, and a Valentine Party, during the year. We all enjoyed these parties.

Under the watchful eye of Miss Green, we all passed from the fourth grade to the fifth. In the fifth grade we had Miss Wilma Clutter (later Mrs. Wallmire) as our teacher. This was our first year upstairs and it took time to become accustomed to coming upstairs all the time.

Under the guidance of Mrs. Wallmire, we all passed the sixth grade.

As seventh graders everything about high school, and changing classes were new to us. We elected the following officers: President, Clifford Beck; Vice President, Madelyn Massie; Secretary, Dorothy Auck; Treasurer, Joe Kreim, and Student Council, Raymond Gerhart. Mr. C. C. Richards was our class sponsor. Charles Groves and Sara Helen Youman were also members of the class.

In the eighth grade we elected the following officers: President, Clem Studer; Vice President, Madelyn Massie, Secretary, Joe Kreim; Treasurer, Dorothy Auck; and Student Council, Raymond Gerhart. The boys in our class were on the Junior High Basketball team. Our cheerleaders were Dorothy Auck and Madelyn Massie. During the year we enjoyed a skating party in Tiffin and a Halloween Party. We all looked forward to being, "Green Freshman".

With nine members in our class we began our first year in high school. Raymond Gerhart was elected President; Clem Studer, Vice President; Joe Kreim, Secretary; Dorothy Auck, Treasurer; and Clifford Beck, Student Council. Mr. William Williams was our sponsor. On October 8, we had the unforgettable experience of initiation. The question arose in all of our minds, "How can people be so inhuman?" But we all survived and looked forward to the time when we were to be on the giving side. Our assembly was held on February 11, using the theme of Lincoln. A program similar to that of Truth or Consequences was also planned with students taking part. At the close of the school year, we planned a farewell party for the Seniors. And so the first year of high school came to a glorious end. Virgil Kanney joined us the first of the year.

We started the tenth year by electing the following officers: President, Ruth Leonhart, Vice President, Dorothy Auck; Secretary, Joe Kreim, Treasurer, Virgil Kanney; and Student Council, Madelyn Massie. Mr. Dale Meffley was our class sponsor. We gave an assembly in January and, a Chapel program before Christmas. Violet Johns joined our class in November, but left at Christmas.

This year, as Juniors, we started the year by electing officers. They were as follows: President, Joe Kreim, Vice President, Virgil Kanney, Secretary, Clem Studer, Treasurer, Dorothy Auck, Student Council, Raymond Gerhart; and News Reporter, Madelyn Massie. On October 13, 1950, we sponsored a hayride for the high school. A good time was had by all. Clifford Beck left while a Junior. With the help of some of the Seniors, we gave the play, "The Darling Brats." It was given on November 3, 1950. Mrs. Brown was directress. We gave the Christmas Party on December 18. We received our class rings in November. The Junior and Senior Banquet was held in Norwalk, Ohio, on April 28, 1951. We had as a theme "The Old Fashioned Garden."

Seniors at last! We elected officers for the last time. They were: President, Virgil Kanney, Vice President, Raymond Gerhart; Secretary, Madelyn Massie; Treasurer, Ruth Leonhart; Student Council, Clem Studer, and News Reporter, Dorothy Auck. Initiation was held on October 18, 1951. On October 25, we went to Tiffin to the Bole Dundurand Studio to see who would break the camera first. We had many class meetings to select name cards, invitations, caps and gowns, and speakers. They were: Reverend Katterhenrich for Baccalaureate and Father Duffy for Commencement. Baccalaureate is to be held on Sunday, May 18, and Commencement on Thursday, May 22, 1952. Our sponsor again this year is Mr. Meffley. The Senior Class play is to be given on May 2, 1952.

Now the History of the Class of '52 must come to an end and we will have to say "Farewell" to our old school days. I am sure these days will be remembered for the rest of our lives.

## Senior Class Prophecy

Early in May of 1958, I was busy making my passengers comfortable on one of the American Airline's D-C-6's. When the co-pilot came back to tell me they were having engine trouble, and would have to make a forced landing, I then explained to the passengers what was happening. We then fastened our safety belts. I looked out the window and saw we were circling a fairly good sized field. It wasn't long until we were taxiing to a stop. As we alighted from the plane I noticed a young man running toward us across the field. He had emerged from a beautiful white farm house. You could have knocked me over with a feather when I found out it was my old classmate, Clem Studer.

When the pilot told us we would be there for a while, Clem invited all of us to the house. He later explained that John Geiger had finally sold him the farm. And he had gradually built all new buildings. He said he was being married in June to a girl from Bucyrus. I guess everything turned out about perfect for Clem.

I asked Clem if I could use his beautiful new Ford for a couple of hours. He hesitated momentarily, until I assured him I was a much better driver than I had been in "52".

I then drove out to see Mrs. Auck to see if she had received a more recent letter from Dorothy than I had. Dorothy is now living in California. Her husband, Lee, is a hot rod driver out there. After chatting with Mrs. Auck I drove over to talk to Mrs. Leonhart. She said Ruth was a stenographer for some big firm in Detroit. She also said Ruth was engaged to a guy named "Bill".

After bidding Mrs. Leonhart good-bye, I quickly headed toward Kreims to see what Joe had done with himself. My this Ford rides nice! Don't believe they put as much tin in them as they used to. How we used to tease Clem about tinny Fords. Ah! memories.

Well, here we are at Joe (Chickie) Kreims. What, Joe has a home of his own now! Mrs. Kreim says it's a shame I had to miss him. She said, that he just left a week ago with Marcia and the twins for a trip out West. She said they flew out in Joe's helicopter.

My! My! How prosperous this class of mine is. Almost forgot to find out what happened to Virgil. That would never do. Well, Virgie was as surprised to see me, as I thought he would be. Virgil tells me he is president of some large plant in Bucyrus. The boys in our class always did say he was such a good class president. Mrs. Kanney told me that

Virgil had so many girls she couldn't keep track of the number anymore. Gee, and all those years I thought he was bashful. Well, my time is running short, I have to hurry on to John Mollencopfs. This looks like the place Virgil described. My how nice! Look at that cute little girl in the yard. I asked the little girl if her daddy was home. She said yes, but he was out in the field working. She said her mommie was in the house though. Mrs. Mollencopf wanted to send little Barbie for John, but I told her I just didn't have time to wait. She said John owned this farm and that photography was his hobby. I told her I remembered what a kick John got out of taking pictures for our annual back in "52".

Well it's back to the Studer farm for me. I know none of you need to be told what happened to Sammy Gerhart. We all watch his television program. He's slowly taking the place of Milton Berle. Maybe I'm prejudiced but I think he's more efficient.

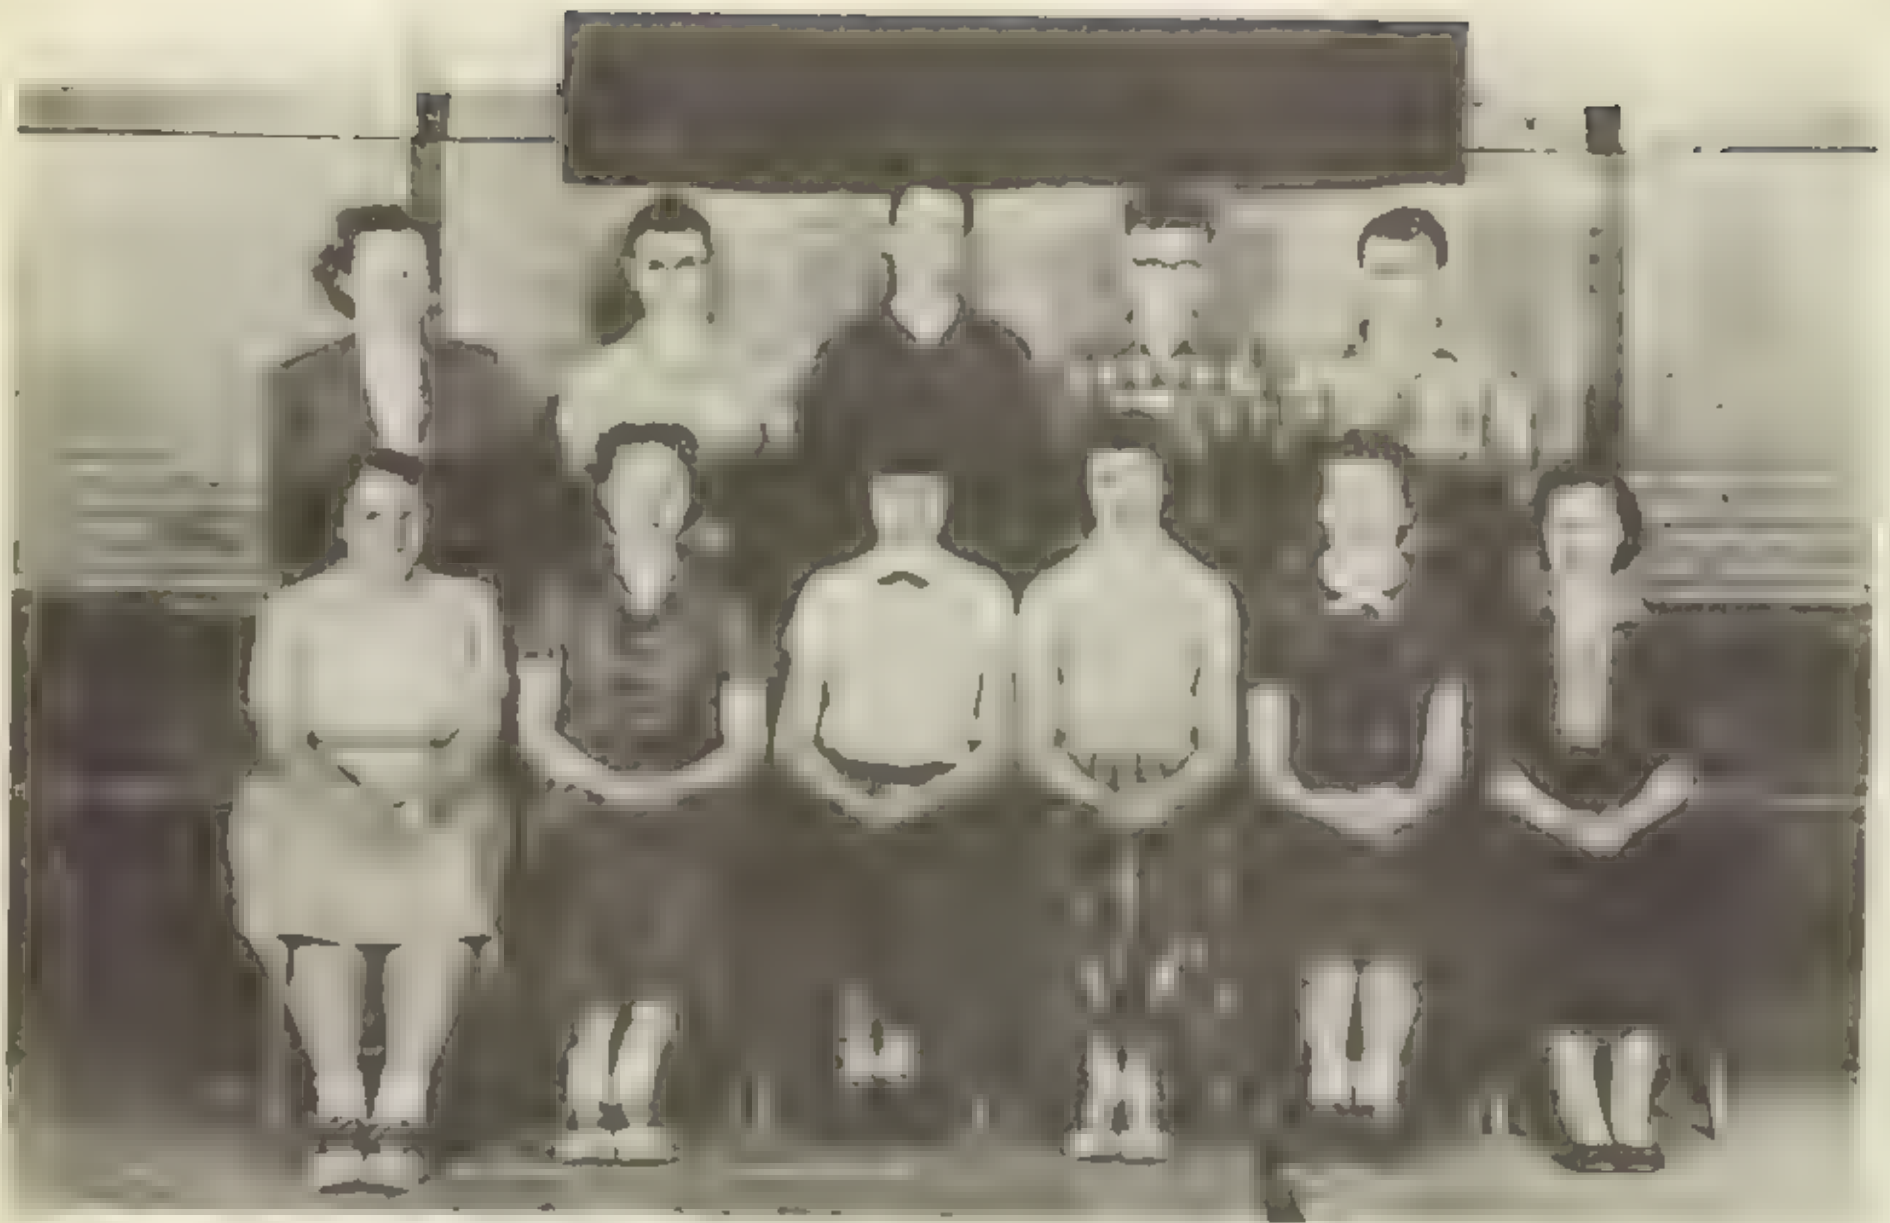

Well Clem has his Ford back, none the worse for its little trip. The plane is repaired now. So bidding Clem good-bye, I boarded the plane which is my job, feeling very happy that everything has turned out so well for my wonderful classmates.

The Halloween and Valentine parties gave everyone a chance to entertain.

We were members of the American Junior Red Cross and contributed to the March of Dimes.

Our first Reading Certificate was given to us after we had read the required number of Ohio Pupil Reading Circle Books.

We took part in the Operetta "Merry Christmas, Mr. Snowman". We were on the program for the P. T. A.

Having been organized when girls' inter-school basketball games were prohibited, the Girls' Athletic Association sponsors intramural programs in feminine sports and co-operates with the B. A. A. in conducting our home game schedule. During the year we participated in basketball, volleyball, and track events on the intramural program and enjoyed bowling and swimming after school. Another project is selling concessions at the home basketball games and making posters for them. The girls also helped to plan "Gerhart Night" which was held Friday night, February 8, 1952.
